Notes About Temporary Signs

- Commercial locations are permitted one sign per 50 feet of road frontage
- Maximum size is 32 square feet per sign
- Maximum height is 10 feet above grade
- Maximum duration of 60 days per year; duration may be non-consecutive
- Signs may not be placed such that they interfere with driver visibility
- Signs may not be posted to utility poles, trees, or official signage
- No signs may be placed in right-of-way or away from the site of the business
