

UTILITY FEE CREDIT RENEWAL

Moncks Corner Stormwater Management

For properties with ongoing stormwater fee credits:

Complete this form and submit to the Moncks Corner SWMP with your Annual Inspection Report, maintenance records and photos of the structural SCMs. Once approved by the Stormwater Coordinator, no further action is necessary for the continuation of stormwater fee credit until the next Annual Inspection Report. In the case of facilities utilizing non-structural SCM's, complete this form and attach supporting information showing that the non-structural SCM's remain in place (i.e. copy of annual report for Public Education activities, etc.). If additional maintenance is required, or the submitted supporting document is insufficient, a copy of this form will be marked as such and returned to the property owner/applicant. It is the property owner's responsibility to take necessary corrective action prior to May 1st to ensure that eligibility for utility fee credit does not lapse.
