John Joe Salazar

### Member Absent:

Councilman Chad Sweatman

### Others Present:

Councilwoman Charlotte Cruppenink  
Doug Polen, Main Street Coordinator

Councilwoman Cruppenink explained to the Board members present the nature of the MCCA and its separation from the Town of Moncks Corner.

Councilman Law announced that he and Councilman Sweatman were resigning from the Board of Directors. Law explained that as members of the Town Council they already had a voice in the process and wanted to expand the volunteer pool and give others a stronger voice.

Councilman Law and Councilwoman Cruppenink left the meeting.

The Board of Directors nominated Morgan Fann and Debbie Dial to fill the seats vacated by Councilmen Law and Sweatman.

Mr. Polen discussed the nature of Downtown Development Associations (DDA) and distributed information and missions/visions of a number of DDA's in South Carolina and elsewhere. Mr. Polen explained what DDA's do and recounted a conversation he had with Suzy Moyd, Executive Director of Main Street Hartsville. Main Street Hartsville has the same committees that the MCCA has discussed having, and he explained what Hartsville's committees do.

It was suggested that one Board member serve as chairperson, one as co-chair, and the rest as heads of the various committees.

The Board of Directors stated that they did not want to pursue formulating a mission and vision until the new Board members came aboard.

The Board set the date of the next meeting as January 12, 2015 at 5:30 at Town Hall, and set the agenda for the meeting.
